INFORMAL WEDDING.

John T. Ditto and Miss Emily
Starr Hamsher Marry at
Decatur, Ill.

THURSDAY MORN-
ING, JUNE 28th.

Mr. Ditto, a Meade County Boy
And Successful Commer-
cial Tourist.

A quiet and very pretty home wedding was solemnized at the residence of Mrs. R. C. Hamsher at 723 West Main street, Decatur, Ill., on Thursday morning at 9:30 o'clock, when her daughter, Miss Emily Starr Hamsher and John T. Ditto, of Brandenburg, Ky., were united in marriage. Rev. Frost Craft, pastor of the First M. E. Church pronounced the nuptial blessing in the presence of 35 near relatives of the two families.

The ceremony was entirely without any formal features. Miss Hamsher assisted in receiving the guests and at the time arranged, her cousin, Miss Grace Hamsher, played the opening bars of "O, promise me," and the couple stepped in the front room and stood in the windows where a background of palms, ferns and marguerites were arranged, while the guests were being said. The ring ceremony was used and Miss Hamsher played softly through it DeKoven's pretty and popular song. At the conclusion she played Mendelssohn's wedding march. At the wedding breakfast which followed as soon as the closing words of the ceremony were said, the bride and groom and nearest relatives were seated in the dining room and to their guests at small tables placed in the parlors. Mrs. Garrett served. The bride's table was arranged with ropes of smilax draped from the chandelier to the four corners of the table, and in the center a large bowl of La France roses was placed.

Miss Hamsher wore a gown of white, simply made and trimmed with embroidery and lace and a large bow at the waist. She carried a bouquet of bride's roses and smilax.

The rooms of the house were filled with the fragrance of June blossoms, which were used everywhere in bowls and vases. The front parlor was in marguerites and sweet peas; the back parlor in sweet peas; and the dining room in roses. The reception room had for its decoration nasturtiums and poppies.

Mr. and Mrs. Ditto left at noon for Chicago and the north. They will visit Mackinac Island and other northern points, and will be absent about two weeks. They will be at home after July 15, at 723 West Main street.

Mr. Ditto is the representative of the Kahn, Fellheimer & Co. hat firm of Cincinnati. His former home was at Brandenburg, Ky. He will hereafter make Decatur his headquarters. He belongs to one of the oldest and best families in the part of Kentucky in which they live.

Mrs. Ditto has for a number of years been one of the most successful music teachers in the city. She is a graduate of the New England Conservatory of Music. Mr. Ditto's sisters, Miss Addie Ditto, of Louisville, Ky., and Mrs. J. D. Babbage, Mr. Babbage and their daughter Mildred, were here to attend the wedding. Mr. and Mrs. Babbage will leave for their home in Cloverport, Ky., today. Other relatives in attendance were Miss Helen Heck, of Harrisburg, Pa., and John Clary of Chicago. Mr. and Mrs. Ditto were remembered with many very handsome wedding gifts. Congratulatory telegrams and letters from the members of the Cincinnati firm with which Mr. Ditto is connected and from many Kentucky friends were received just after the ceremony. Among them was a message from Mr. Ditto's sister and her husband, Mr. and Mrs. Fairleigh, of Louisville, Ky.—Decatur Morning Herald.

The blood is strained and purified by the kidneys. No hope of health, while the kidneys are wrong. Foley's Kidney Cure will make healthy kidneys and pure blood.—Moorman & Owen.

SPOTTSVILLE GRAVEL
COMPANY'S ROCK.

Owensboro Will Utilize Fifteen
Hundred Car Loads.

The Spottsville Gravel Company, of which Mr. James G. Harris is President, has secured the contract of supplying Owensboro with rock for its streets.

The contract is a large one, amounting almost to \$40,000. There will be in the neighborhood of fifteen hundred car loads used.

TUBERCULOSIS.

Among Kentucky Cattle, Says
Missouri's Governor.

STATE VETERINARIAN'S
OPINION.

Governor Stephens, of Missouri, has issued a proclamation shutting out the cattle from a number of states, in which he says, tuberculosis exists. Among the quarantined states is our own beloved Kentucky.

Gov. Stephens is, however, only adopting a precautionary measure which is now in existence in many States. Tuberculosis exists among cattle in almost every part of the State. It is a very common disease and is very dangerous both to cattle and to persons consuming the milk. A number of cattle have been ordered killed this spring because of the inroads made by the disease, and Dr. F. T. Eisenman, the State Veterinarian, said last night that the proclamation issued by Gov. Stephens would cost the State a great deal of money, but that it would awaken the Legislature to its duty. He said that the State Board of Health had asked the Legislature to make an appropriation for the express purpose of waging war against the disease, and he thought that a sum of money would be appropriated at the next session. He said that it would not cost a great deal of money to inoculate the cattle of the State if the work were carried on systematically, but that it would be necessary to employ an experienced man to administer the tuberculin.

New York and other States, said Dr. Eisenman, appropriated large sums of money each year for the purpose of examining cattle, and that only \$5,000 was appropriated for the State Board of Health to do all of its work. "Kentucky cattle will not be accepted in other States unless they are properly and thoroughly tested for traces of tuberculosis by a competent man, and until this is done the State will suffer," he said. Dr. Eisenman said that he had ordered several cows killed this spring because of the disease, and he knew that it was prevalent all over the State.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 50c. Sold by Short & Haynes, Druggists.

Mrs. Sue Mercer is visiting friends near Lodi.

Miss Mary Pavton is spending the summer away.

Miss Myrtle Shreve was a guest of the Misses Stone Sunday.

Mrs. F. J. Smith and her family visited Mr. Brack last week.

Sister Miller's father of St. Louis is her guest for the summer.

Mrs. Hunter of Glendale has moved back to her farm near here.

Meeting Saturday and Sunday at Pleasant Grove near Shreve.

Madam Ramon says there is to be a wedding in our midst quite soon.

Miss Bertie Phillips of Hartford was visiting relatives at Shreve last week.

Mrs. John Mercer and Claycomb were guests at Mrs. Chambliss' Sunday.

Charlie Stone paid a flying visit to relatives and friends in Louisville last week.

Gardens are finer than ever before in this vicinity and all vegetation is most luxuriant.

The roads are almost as muddy now as they are after the first general thaw in early spring.

M. W. Stone has returned after a fortnight's visit to her brother, Mr. J. C. Rogers, of Owensboro.

Mrs. Annie Parsons and little daughter, Mary, of McDaniels are the guests of her mother, Mrs. Chambliss.

Mrs. Sue Mercer, Mrs. John Eskridge and Robert Chambliss spent Sunday the guests of Mr. George Wrathe near Ekron.

The train killed one of M. W. Stone's finest Poland China sows last week. He said he would not have taken \$35 for her in cash.

Bro. Miller will begin a big protracted meeting at this place the fourth Sunday in July. He will preach down in that cool shady beech grove by the river, two sermons a day only, morning and afternoon.

The present system of working the roads is certainly deficient. It does not suit our soil at all for it makes them dangerous in wet weather. We shun them wherever possible by going through people's fields or through the woods to keep from miring or falling through culverts where rotten plank is used because it is cheap. I think if the money was used to put rock in the worst places and leave the others alone, it would do much more good, as the present mode of plowing up all the once good parts of the roads and converting them into mirey mud holes only does harm.

There is no longer an excuse for anyone to endure the torture inflicted by piles when TABLER'S BUCKEYE PILE OINTMENT will cure them, a remedy so moderate in price and so effective. Price 50 in bottles. Tubes, 75 cents.

NOTICE

To The Trustees And Teachers Of The
Common Schools of Breckenridge
County.

The Teachers' Institute for this county for the current school year will be held at Hardinsburg, beginning on the 23rd day of July, 1900, and continuing 5 days.

Please to notify promptly, as the law requires, every teacher in your district. Observe that in addition to direct oral or written information, written notices are to be posted. If the trustees have a contract with a teacher who is absent from the county, it is your duty to write him or her at once. You are notified that Wednesday will be Trustees' day.

ANDREW DRISKELL, S. C. S. B. C.

Your best friend can give you no better advice than this: "For impure blood, bad stomach and weak nerves take Hood's Sarsaparilla."

FORTNIGHTLY CLUB.

Met At Mrs. Bennett's Near Irvington
Last Tuesday Evening.

THE NEXT MEETING AN
IMPORTANT ONE.

Mrs. Bennett, of Irvington, entertained the Fortnightly Club on last Tuesday most delightfully. The club will meet with Mrs. E. B. McGlothlin on next Wednesday. Respond to roll call with current events. Important matters of business. Let all be present.

DEATH CLAIMS AN OLD MEADE COUNTY CITIZEN.

Brandenburg, July 2nd. [Special.]—Mr. Jordan Edmonds, an old citizen near here, died last Wednesday of a complication of diseases. Mr. Edmonds was a remarkably industrious man in his younger days and an excellent farmer. Brother Duvall preached his funeral from the Baptist church and his remains were interred in the Brandenburg cemetery. He leaves a wife and six children, Mrs. Beverly Mattingly, of Garrett, Mrs. Chas. Coleman, Miss Ida, Messrs. John, Jim and Elwood, of this place. Much sympathy to the family.

IS IT RIGHT

For an Editor to Recommend Patent Medicines?

From Sylvan Valley News, Brevard N. C.

It may be a question whether the editor of a newspaper has the right to publicly recommend any of the various proprietary medicines which flood the market, yet as a preventive of suffering we feel it a duty to say a good word for Chamberlain's Colic, Cholera and Diarrhoea Remedy. We have known and used this medicine in our family for twenty years and have always found it reliable. In many cases a dose of this remedy would save hours of suffering while a physician is awaited. We do not believe in depending implicitly on any medicine for a cure, but we do believe that if a bottle of Chamberlain's Diarrhoea Remedy were kept on hand and administered at the inception of an attack much suffering might be avoided and in very many cases the presence of a physician would not be required. At least this has been our experience during the past twenty years. For sale by A. R. Fisher, Cloverport; R. A. Shellman, Stephensport.

WEBSTER.

The oat crop is good.

Our town is receiving a new coat of paint.

Corn that has received proper cultivation is fine.

H. C. Kurtz and Hoi Drane went to Hardinsburg Sunday.

H. C. Haddock is doing some expert painting in our town.

Miss Bernice Shacklett, of Ekron, is visiting Miss Norrie Kurtz.

This is July the 1st and none of our public roads are worked yet.

Eddie Barr and sister, of Owensboro, were the guests of Miss Norrie Kurtz Sunday.

The Misses Watson, of Hardin county, were the guests of the Lyddans last week.

B. A. Parks and family, of Morganfield, are visiting relatives in this community.

The tobacco crop of this section is looking well and the acreage planted is greater than usual.

J. R. May and wife were called to Cloverport last week on account of the illness of A. B. Shillman's child.

Mrs. L. T. Parks, a very estimable lady of Clifton Mills, died, after a lingering illness, the 28th. Her remains were interred at Walnut Grove.

Never in the history of our nation perhaps has there been as little reason for a change in our national administration as there is at present.

Mr. and Mrs. L. M. Lyddan and Mr. and Mrs. Jno. Lyddan entertained on separate evenings last week, in honor of their visitors, the Misses Watson.

L. B. Henderson was called to the bedside of his brother, Jesse Henderson, of Meade county last week and remained with him until his death which occurred Sunday.

A Card.

We wish to extend our heartfelt thanks to the kind friends who labored so faithfully with us to relieve the suffering of our dear one, Wilda S. Parks.

Mismomers.

Mrs. Brown—Our language is full of mismomers. For instance, I met a man once who was a perfect bear, and they called him a civil engineer.

Mrs. Smith—Yes, but that's not ridiculous as the man they call "teller" in a bank. He won't tell you anything. I asked one the other day how much money my husband had on deposit, and he just laughed at me.—Baptist Argus.

After many intricate experiments, scientists have discovered methods for obtaining all the natural digestants. These have been combined in the proportion found in the human body and united in substance that build up the digestive organs making a compound called Kodol Dyspepsia Cure. It digests what you eat and allows all dyspepsias to eat plenty of nourishing food while the stomach troubles are being radically cured by the medicinal agents it contains. It is pleasant to take and will give quick relief.—A. R. Fisher.

A SIGNIFICANT FACT.

There is one significant fact which bears on the question of a college education for girls. It is that all the American women who have won distinction in original work of any kind, received the old-fashioned training. College-bred women, so far, have been successful only as teachers. Is this because the woman in one case was suffered to develop naturally, like a growing tree, and in the other was moulded artificially the same as is one brick in a heap of bricks? I cannot answer this question.—July Ladies' Home Journal.
